

## Medical Management of MDR-TB App

Medical Management of MDR-TB App **Author:** TB CARE II

**Publication Date:** 2015

**Format:** Online Resource

**Physical Description:** Android App

**Language:** English

### Abstract:

This free mobile application is based on the 2nd edition of The Partners in Health (PIH) Guide to the Medical Management of Multidrug-Resistant Tuberculosis. The app includes information on the anti-TB drugs most commonly used in MDR-TB treatment as well as management of common adverse effects. A dosing calculator for anti-TB drugs in adolescents and adults is also included.
